

ACADEMIC FACULTY POSITION AVAILABLE: The Division of Endocrinology and Metabolism at the School of Medicine, University of Texas Health Science Center at San Antonio in partnership with the Audie L Murphy Veterans Administration is seeking fulltime or part time Endocrinologist at the Assistant or Associate Professor level to contribute to our growing clinical practice, research activities and education. This is an exceptional academic opportunity for a junior faculty member who is self motivated and excited about patient care, teaching and learning. Candidates with strong interest/expertise in the field of endocrine neoplasia including thyroid, adrenal and pituitary disorders are encouraged to apply. Thyroid ultrasound with US-guided FNA experience is required and ECNU certification recommended. Opportunities to do clinical research are available. The candidate must be BC/BE in Endocrinology & Metabolism. San Antonio is known for its low cost of living, family friendly atmosphere and rich culture. Please send updated curriculum vitae and names of three references to: Jan M. Bruder, M.D., Dept. of Medicine/Endocrinology, 7703 Floyd Curl Dr., MSC 7877, San Antonio TX 78229-3900. All faculty appointments are designated as security-sensitive positions. *The University of Texas Health Science Center at San Antonio is an Equal Employment Opportunity/Affirmative Action Employer including protected veterans and persons with disabilities.*
