What is this and who is eligible to participate?
Interprofessional teams of students collaborate to propose solutions to a challenging healthcare problem. First- and second-year students from all schools are eligible to compete.

Are there restrictions on team composition?
Teams must include four students from a minimum of three educational programs representing at least two different schools.

How do I sign up for the competition?
Students can RSVP as a fully formed team or as an individual. If you RSVP as an individual, you will be placed in a team. Use the QR code below to RSVP before January 28, 2022.

Direct all questions to Meagan Rockne at Rockne@uthscsa.edu.
